§11-218-1 Purpose and scope. The purpose of these rules is to establish guidelines for the use of communication access services by persons who are deaf, hard of hearing, or deaf-blind for effective communication in programs and activities of state departments and agencies. The optimal situation is one in which the state program or activity is able to communicate directly with the person who is deaf, hard of hearing, or deaf-blind. When direct communication is not possible, this chapter provides guidelines for hiring communication access providers. [Eff 5/17/91; am and comp 6/10/94; comp 4/3/97; am and comp 11/6/00; am and comp 12/24/01; am and comp 10/13/05; comp 7/23/07] (Auth: HRS §348F-6) (Imp: HRS §348F-3)

§11-218-2 Interpretation. If any provision of these rules is inconsistent with requirements of the Americans with Disabilities Act of 1990, Public Law 101-336, as amended, and Section 504 of the Federal Rehabilitation Act of 1973, Public Law 93-112, as amended, the provision shall be construed to be superseded or governed thereby. These rules shall be construed liberally and consistent with the purpose stated in section 11-218-1. [Eff 5/17/91; am and comp 6/10/94; am and comp 4/3/97; am and comp 11/6/00; comp 12/24/01; comp 10/13/05; comp 7/23/07] (Auth: HRS §348F-6) (Imp: HRS §348F-3)

§11-218-3 Definitions. As used in this chapter, unless the context clearly indicates otherwise:

"Board" means the Disability and Communication Access Board.

"Certified real-time captioner" means any person who holds any valid certifications awarded by either the National Court Reporters Association (NCRA) or a state board of certified shorthand reporters as defined in Appendix F "Valid certifications awarded by The National Court Reporters Association" (November 26, 2004).

"Communication access services" means services

rendered by a provider to facilitate communication between the person who is deaf, hard of hearing, or deaf-blind and hearing consumers. Communication access services include, but are not limited to, interpreter services, real-time captioning services, and computer-assisted notetaking services.

"Computer-assisted notetaker" means a person who provides computer-assisted notetaking services.

"Computer-assisted notetaking services" means services performed by a typist using a word processor on a computer. The services provide a summary of a speaker's words or notes for situations such as a meeting or a group discussion. The words are typed into a word processor and displayed onto a screen. Computer-assisted notetaking services are distinguished from real-time captioning services in that the words are typed simultaneously but not necessarily verbatim and that stenographic equipment and skills are not involved.

"Credentials" means any certification or classification that is awarded to providers as defined in this section.

"Person who is Deaf or hard of hearing" means any person who, with or without amplification, cannot hear and understand spoken language.

"Person who is Deaf-blind" means any person who, with or without the assistance of hearing or visual aids, has both auditory and visual disabilities that interfere with communication.

"Hearing consumer" means any hearing individual that requires communication access services to communicate with persons who are deaf, hard of hearing, or deaf-blind.

"HQAS" means the Hawaii Quality Assurance System, an interpreter screening instrument administered by the state screening agency. Functional descriptions for HQAS levels are shown in Appendix B, "Functional Description of HQAS Levels" (July 21, 2005).

"HQAS +H" means the Hawaii Quality Assurance System in addition to the optional local Hawaii language competency test.

"Interpreter services" means services rendered by a locally-classified or nationally-certified

interpreter as defined in this section.

"Nationally-certified interpreter" means any person who holds valid certificates or credentials awarded by the Registry of Interpreters for the Deaf, Inc. (RID) or National Council on Interpreting (NCI), as defined in Appendix C "Registry of Interpreters for the Deaf, Inc. Description of RID Certifications" (November 26, 2004) or the National Association of the Deaf, Inc. (NAD) as defined in Appendix D, "National Association of the Deaf, Inc. Interpreter Assessment and Certification" (July 1, 2001).

"Provider" means any provider of communication access services including, but not limited to, a nationally-certified interpreter, a state credentialed interpreter, a certified real-time captioner, or a computer-assisted notetaker.

"Real-time captioning services" means services performed by a certified real-time captioner in order to facilitate communication for persons who are deaf, hard of hearing, and deaf-blind. The services provide simultaneous transcription of a speaker's words by using a stenographic machine, a computer, and real-time captioning software, and by projecting the words onto a screen.

"State agency" means any department, office, board, or commission of the State, or the University of Hawaii.

"State screening agency" means the disability and communication access board issuing credentials under the Hawaii Quality Assurance System which shall be honored statewide.

"State credentialed interpreter" means any person who holds valid HQAS credentials defined in Appendix B and awarded by the state screening agency. [Eff 5/17/91; am and comp 6/10/94; am and comp 4/3/97; am and comp 11/6/00; am and comp 12/24/01; am and comp 10/13/05; comp 7/23/07] (Auth: HRS §348F-6) (Imp: HRS §348F-3)

§11-218-4 Credentials of providers. (a) The credentials of providers shall be based on the level and specialization determined by the national

organizations or state screening agency which provide the credentials listed in §11-218-3. The Board shall review criteria of the credentials awarded by national organizations and the state screening agency with input from the community. Documentation of completion of sign language courses or interpreter training programs shall not be substituted for credentials listed in section 11-218-3.

(b) Currently there are no known national organizations or state screening agency that award credentials for computer-assisted notetakers. It is recommended that the state agencies utilize persons who meet the following characteristics in order to provide computer-assisted notetaking services: ability to organize and summarize information; ability to type at least 60 words per minute; familiarity with the subject being discussed; experience working with persons who are deaf, hard of hearing, or deaf-blind; working knowledge of laptop computers and word-processing software; and good auditory, verbal, and spelling skills. [Eff 5/17/91; comp 6/10/94; comp 4/3/97; am and comp 11/6/00; am and comp 12/24/01; am and comp 10/13/05; comp 7/23/07] (Auth: HRS §348F-6) (Imp: HRS §348F-3)

§11-218-5 Repealed. [R 11/6/00]

§11-218-5.1 Fee schedule guidelines. (a) State agencies hiring providers as independent contractors on a fee for service basis may negotiate fees with the provider. Appendix A, "Recommended Fee Schedules for Providers March 16, 2006," located at the end of this chapter, is made a part of this chapter. The hourly rates listed in Appendix A are recommended rates for providers used by state agencies for one-time, ad-hoc, or single units of service. In addition, Appendix A includes recommendations for mileage, travel, and other allowable charges.

(b) State agencies hiring providers as independent contractors for on-going or continuing assignments may negotiate fees and terms independent

of the hourly rates shown in Appendix A. This paragraph shall not be construed to supercede the provisions of section 11-218-8.

(c) The Board shall review the recommended fee schedules, annually or as needed, with consideration of the current market value of those services as well as input from consumers, providers, and state agencies. [Eff and comp 11/6/00; am and comp 12/24/01; am and comp 10/13/05; am and comp 7/23/07] (Auth: HRS §348F-6) (Imp: HRS §348F-3)

§11-218-6 Cancellation of services. Fees shall be determined in accordance with the time of cancellation of services:

- (1) For assignments less than two hours in duration, and if a cancellation notice is given at least twenty-four hours in advance, no fee shall be assessed. If the cancellation notice is given less than twenty-four hours in advance, the full charge for the requested period shall be assessed.
- (2) For assignments two hours or more but less than four hours in duration, and if a cancellation notice is given at least forty-eight hours in advance, no fee shall be assessed. If the cancellation notice is given less than forty-eight hours in advance, the full charge for the requested period shall be assessed.
- (3) For assignments four hours or more in duration, and if a cancellation notice is given at least seventy-two hours in advance, no fee shall be assessed. If the cancellation notice is given less than seventy-two hours in advance, the minimum two hour fee plus one-half of the fee for the remaining scheduled time shall be assessed. If the cancellation notice is given less than forty-eight hours in advance, the full fee shall be assessed.

- (4) If an essential person who is deaf, hard of hearing, or deaf-blind, or a hearing consumer of interpreting or other communication access services fails to appear, this shall be considered a cancellation and the provider hired for that assignment shall be paid the full fee for the requested period by the state agency.
- (5) If a provider fails to appear, no fee shall be paid by the state agency.
- (6) For assignments where two providers are scheduled and one fails to appear, the solo provider shall be paid the full fee plus 30 per cent of the hourly rate. [Eff 5/17/91; comp 6/10/94; comp 4/3/97; am and comp 11/6/00; comp 12/24/01; am and comp 10/13/05; comp 7/23/07] (Auth: HRS §348F-6) (Imp: HRS §348F-3)

§11-218-7.1 Repealed. [R 11/6/00]

§11-218-7.2 Repealed. [R 11/6/00]

§11-218-8 Provision of services. (a) Any person meeting any one of the definitions of nationally-certified or state credentialed interpreter, certified real-time captioner, or computer-assisted notetaker provided in section 11-218-3 may be hired as a provider of interpreter services, real-time captioning services, or computer-assisted notetaking services.

(b) Any state agency shall acquire the services of a provider with the appropriate credentials when one is necessary for a person who is deaf, hard of hearing, or deaf-blind to effectively participate in an activity or program of that agency. A state agency shall hire the preferred provider of the person who is

deaf, hard of hearing, or deaf-blind when possible. If no preference is stated, providers with the highest level of credentials shall be hired first, followed by lesser levels of credentials, in the order listed in Appendix A.

(c) For assignments of more than one and one-half hours in length, and with continuous work (for example, a workshop or meeting), the state agency shall request two providers for the total time of the assignment to actively work for alternate periods of twenty minutes each. If only one provider is available and hired for an assignment with continuous work of more than one and one-half hours in length, the state agency shall ensure that the provider is given breaks as necessary or as negotiated prior to the assignment.

(d) Any person who is deaf, hard of hearing, or deaf-blind shall inform the state agency of the need for communication access services, allowing reasonable time to hire providers. [Eff 5/17/91; am and comp 6/10/94; am and comp 4/3/97; am and comp 11/6/00; am and comp 12/24/01; am and comp 10/13/05; comp 7/23/07] (Auth: HRS §348F-6) (Imp: HRS §348F-3)

§11-218-8.1 Role of a provider who is deaf, hard of hearing, or deaf-blind. If a person who is deaf, hard of hearing, or deaf-blind cannot benefit from conventional communication access services, then a team of two providers shall be hired upon request to ensure effective communication. The second provider, who is deaf, hard of hearing, or deaf-blind, would relay information between the consumer and the hearing provider, using a three-way communication. [Eff and comp 11/6/00; comp 12/24/01; am and comp 10/13/05; comp 7/23/07] (Auth: HRS §348F-6) (Imp: HRS §348F-3)

definitions of person who is deaf, hard of hearing, or deaf-blind or hearing consumer as provided in section 11-218-3 shall be provided communication access services as requested in any program or activity of a state agency. Persons who are deaf, hard of hearing, or deaf-blind who request communication access services for any program or activity may identify and request their preferred provider. The requirement for credentials may be waived if the person who is deaf, hard of hearing, or deaf-blind indicates preference for someone who does not have credentials. The state agency shall certify and document that the person who is deaf, hard of hearing, or deaf-blind specified a provider without credentials. [Eff 5/17/91; am and comp 6/10/94; am and comp 4/3/97; am and comp 11/6/00; comp 12/24/01; am and comp 10/13/05; comp 7/23/07] (Auth: HRS §348F-6) (Imp: HRS §348F-3)

§11-218-9.5 Code of ethics. Services of HQAS interpreters shall be rendered in a manner consistent with Appendix E, "The Hawaii Quality Assurance System Code of Ethics" (October 19, 2000). RID, NAD, NCRA, or NAD-RID NCI certified interpreters shall follow their respective code of ethics. Services shall be rendered by providers in a manner consistent with Appendix E, or their respective certification's code of ethics. [Eff and comp 11/6/00; am and comp 12/24/01; am and comp 10/13/05; comp 7/23/07] (Auth: HRS §348F-6) (Imp: HRS §348F-3)

§11-218-11 Repealed. [R 6/10/94]

§11-218-12 Application and renewal of credentials. Every application for credentials shall be made upon forms available from the appropriate national organizations or the state screening agency

which provides credentials, as indicated in section 11-218-3. Fees accompanying the application, if any, shall be set by these organizations.

It is the responsibility of the provider to maintain current credentials. [Eff 5/17/91; am and comp 6/10/94; comp 4/3/97; am and comp 11/6/00; am and comp 12/24/01; comp 10/13/05; comp 7/23/07]

An interpreter who is skilled at close-vision or tactile interpreting may be paid up to \$10.00 more than the hourly rate for the interpreter's credential level when interpreting for a person who is deaf-blind.

Recommended Fee Schedule for Real-Time Captioners

<u>Credential Level</u>	<u>Hourly Rate per Captioner</u>
RDR or RMR	\$80.00
CBC, CCP, CRR	\$75.00
CSR or RPR	\$65.00

Hourly rates shown are for real-time captioning services only. Providers will supply use of basic equipment only including stenographic machine and laptop computer. Providers may negotiate additional charges for additional display and telecommunications equipment.

A captioner may charge a fee not more than \$1.00 per page if a hard copy of the unedited transcript is requested.

Recommended Fee Schedule for Computer-Assisted Notetakers

Hourly Rate per Computer-Assisted Notetaker

\$20.00	For situations that involve typing at length or that use specialized vocabulary and knowledge of the subject.

The provider may charge a fee of not more than fifty cents per page for an edited hard copy of the notes; or \$5.00 for the dedicated disk if not provided by the agency.

Recommendations Regarding Travel Charges Including Mileage and Parking

Providers who are independent contractors may be paid mileage for travel by private car both to and from the assignment at a rate of 44.5 cents per mile plus documented parking charges, if any. Charges for travel time may be negotiated with the contractor for assignments that require travel in excess of one hour for a round trip. It is recommended that the state agency cover intrastate travel expenses for a provider when no appropriate provider is available on island where services are needed.

Recommendations Regarding Other Allowable Charges

When specialized services are required to provide effective communication, the state agency may negotiate additional fees for those specialized services. The agency may contact DCAB for assistance in determining the reasonableness of additional fees and charges. Providers may negotiate additional fees for the use of specialized display equipment such as a monitor or overhead TV projector.

Recommendations Regarding Cancellation Guidelines

When communication access services are cancelled, fees payable to the provider are based on the length of the scheduled assignment and the cancellation time as shown in the chart below. ("Full Charges" means the fee payable for the full time of the assignment.)

Less than 2 hours	At least 24 hours	None

2 to 4 hours	Less than 48 hours	Full Charges
4 hours or more	At least 72 hours	None
4 hours or more	24 to 72 hours	Minimum of 2 hours plus half of the remaining scheduled time
4 hours or more	Less than 24 hours	Full Charges

Failure to appear by an essential person who is deaf, hard of hearing, or deaf-blind or an essential person who is hearing is considered a cancellation and fees are payable to the provider as shown. Failure to appear by a communication access provider is not a cancellation and no fees are payable to the provider who fails to appear. For assignments where two providers are scheduled and one fails to appear, the solo provider shall be paid the full fee plus 30 per cent of the hourly rate.

Functional Description of HQAS LevelsJuly 21, 2005

(No credential is issued.)

Registry of Interpreters for the Deaf, Inc.***Description of RID Certifications***

The certificates described below are an indication that the interpreter or transliterator was assessed by a group of professional peers according to a nationally recognized standard of minimum competence. The individual's performance was deemed to meet or exceed this national standard.

RID Certificates are recognized as valid certificates provided the interpreter/transliterator meets all requirements of membership including participation in the Certification Maintenance Program. All interpreters and transliterators are required to adhere to the RID Code of Ethics governing ethical behavior within the profession. Violations of the Code of Ethics could result in a complaint filed against the interpreter/transliterator through the RID Ethical Practices System.

The RID National Testing System (NTS) strives to maintain adherence to nationally recognized testing industry standards of validity, reliability and equity. As a result, an independent psychometrician (test development expert) is retained by RID and oversees test development and revision processes. RID maintains affiliation with the National Organization for Competency Assurance (NOCA), the entity that sets national criteria for validity, reliability and fairness in testing and credentialing.

CI (Certificate of Interpretation)

Holders of this certificate are recognized as fully certified in Interpretation and have demonstrated the ability to interpret between American Sign Language (ASL) and spoken English in both sign-to-voice and voice-to-sign. The interpreter's ability to transliterate is not considered in this certification. Holders of the CI are recommended for a broad range of interpretation assignments. This test is currently available.

CT (Certificate of Transliteration)

Holders of this certificate are recognized as fully certified in Transliteration and have demonstrated the ability to transliterate between English-based sign language and spoken English in both sign-to-voice and voice-to-sign. The transliterator's ability to interpret is not considered in this certification. Holders of the CT are recommended for a broad range of transliteration assignments. This test is currently available.

CI and CT (Certificate of Interpretation and Certificate of Transliteration)

Holders of both full certificates (as listed above) have demonstrated competence in both interpretation and transliteration and have the same flexibility of job acceptance as holders of the CSC listed below. Holders of the CI and CT are recommended for a broad range of interpretation and transliteration assignments.

CLIP (Conditional Legal Interpreting Permit)

Holders of this conditional permit have completed an RID recognized training program designed for interpreters and transliterators who work in legal settings. Generalist certification (CI and CT, or CSC) was required prior to enrollment in the training program. Holders of this

conditional permit are recommended for a broad range of assignments in the legal setting. The CLIP is no longer available.

CLIP-R (Conditional Legal Interpreting Permit-Relay)

Holders of this conditional permit have completed an RID recognized training program designed for interpreters and transliterators who work in legal settings and who are also Deaf or hard-of-hearing. Generalist certification for interpreters/translitterators who are Deaf or hard-of-hearing (RSC or CDI-P or CDI) is required prior to enrollment in the training program. This permit is valid until one year after the Specialist Certificate: Legal written and performance test for Deaf interpreters is available nationally. CLIP-R holders must take and pass the new legal certification examination in order to maintain certification in the specialized area of interpreting in legal settings. Holders of this conditional permit are recommended for a broad range of assignments in the legal setting. The CLIP-R is still offered.

CDI-P (Certified Deaf Interpreter-Provisional)

Holders of this provisional certification are interpreters who are Deaf or hard-of-hearing and who have demonstrated a minimum of one year experience working as an interpreter, completion of at least 8 hours of training on the RID Code of Ethics, and 8 hours of training in general interpretation as it relates to the interpreter who is Deaf or hard-of-hearing. Holders of this certificate are recommended for a broad range of assignments where an interpreter who is Deaf or hard-of-hearing would be beneficial. The CDI-P is no longer available.

CDI (Certified Deaf Interpreter)
